321-615-9323

**Viera, FL**— With the approval of the Centers for Disease Control (CDC), Pfizer-BioNTech COVID-19 vaccines can now be administered to children ages 5 to 11. Previously, Pfizer vaccines had been approved for minors starting at age 12.

Pfizer COVID-19 for those ages 5 and up are also offered at many clinic and pharmacy locations in Brevard and throughout the nation. Go to [www.Vaccines.gov](http://www.Vaccines.gov) to find the most convenient site.

The Florida Department of Health in Brevard County will begin offering the pediatric Pfizer vaccine next week. Parents or guardians must accompany the child. The vaccine will be available on a walk-in basis per the schedule below.

**Viera Clinic**

2555 Judge Fran Jamieson Way, Viera, FL 32940  
Monday – Friday from 8AM to 11:30AM and 1PM to 4PM

**Melbourne Clinic**

601 East University Blvd, Melbourne, FL 32901  
Fridays only from 1:30PM – 4PM

**Titusville Clinic**

611 N Singleton Ave, Titusville, FL 32796  
Fridays only from 1:30PM – 4PM

Additional information, including the [Pfizer Vaccine information Fact Sheet for Children Ages 5 - 11](#) and the [COVID-19 Vaccine Screening and Consent Form](#) are available on the [Florida Department of Health in Brevard website](#).

**About the Florida Department of Health**

The department, nationally accredited by the [Public Health Accreditation Board](#), works to protect, promote and improve the health of all people in Florida through integrated state, county and community efforts.
